A. Provincial Draft Legal Events

Provincial Draft-Legal events are integral to gaining draft legal experience. The Provincial Sport Organization (PSO) events identified on this calendar are ideal for that purpose. Athletes and coaches should target events in their province before looking to compete at the national level.

B. National Development Series Races

National Development Series Races are the next step on the progression from provincial racing. They bring together a deeper field with athletes from multiple provinces, and offer a higher quality-of-field by combining development level Junior, U23 and Elite athletes. There are four events that make up the 2018 National Development Series:

1. Living Sky Triathlon – Saskatoon, SK (*Western Qualifier to National Championships*)
 - a. **June 23rd, 2018:** Draft Legal Super Sprint heats/finals
2. Triathlon de Gatineau – Gatineau, QC (*Eastern Qualifier to National Championships*)
 - a. **July 7th, 2018:** Draft Legal Super Sprint heats/finals
3. CAMTRI Mixed Relay Continental Cup Toronto (*Mixed Relay National Championships*)

4. CAMTRI Sprint Continental Cup Kelowna (*Triathlon Canada National Championships*)

C. Eastern/Western Qualification Races (Saskatoon and Gatineau)

These events will both be held in heats/finals format. Athletes can choose to race at one or both events, with their best finish going towards priority selection to the National Championships. More details are available below in the section under “National Championships”.

D. CAMTRI Team Relay Continental Cup Toronto

The 2018 CAMTRI Mixed Relay Continental Cup Toronto – Triathlon Canada Mixed Relay National Championships will be hosted by the Toronto Triathlon Festival. The four-person Mixed Relay format (female, male, female, male) is fast, exciting and skill testing. All Triathlon Canada teams will be provincial teams, with the National title awarded to the top provincial team. The purpose of this new

event is to develop key skills around the Mixed Relay, and to provide provincial coaches and athletes with an opportunity to implement strategic skills. A semi-final to final format is planned, with top Canadian teams advancing to the CAMTRI Mixed Relay Continental Cup / Triathlon Canada Mixed Relay National Championships:

- **Race 1:** Triathlon Canada Mixed Relay National Championships Qualifier
- **Race 2:** CAMTRI Mixed Relay Continental Cup / Triathlon Canada Mixed Relay National Championships (*field limited to 18 teams*)

Provincial Teams must be sanctioned by a Triathlon Canada PSO (*Executive Director or Provincial Coach*). Entry procedures will be communicated to all PSO's shortly.
