

Triathlon Canada Age Group World Championship Team Selection Policy

A. INTRODUCTION

This document establishes the Eligibility and Selection criteria for entry of age group athletes in **ONLY** the ITU Multisport World Championships Festival (MWCF) or the ITU Age Group Triathlon World Championships (TWC) hosted as part of the ITU World Triathlon Grand Final.

Triathlon Canada is committed to selecting an Age Group World Championship Team using clear selection methods. The goal of the Age Group World Championships Qualification Program is to develop a strong domestic calendar of high caliber events that provides an opportunity for Canadian age group athletes to progress to the highest level of competition in age group racing.

This selection policy applies to all categories and events at the two (2) designated Age Group World Championship events (Multisport and Triathlon).

B. ELIGIBILITY CRITERIA

- a. Must be a Canadian citizen or Permanent Resident of Canada;
- b. Must be a member in good standing with a Triathlon Provincial Sport Organization;
- c. Must be a member in good standing with Triathlon Canada (*part of provincial membership*);
- d. Must pay the Triathlon Canada Team Management Fee in order to claim a spot;
- e. Must agree and comply with all Team Canada policies;
- f. Must have an ITU legal Triathlon Canada race suit and parade kit for the competition year;
- g. **Must submit an Expression of Interest (EOI) PRIOR to each Qualification Event.**

C. EXPRESSION OF INTEREST (EOI)

All athletes looking to compete for a spot must submit an Expression of Interest (EOI) prior to each qualification event for each discipline they wish to qualify. An EOI page will be set up specific to each province with the list of qualification events and disciplines. The form will collect the following data:

- Qualifying Race
- Qualifying Discipline
- Athlete Name
- Athlete Email
- Gender
- Birthdate
- Province
- Age Adjusted Category
- Provincial Membership

Athletes will not be able to complete the EOI without a valid annual provincial membership. This is to ensure that everyone to be included in the final results has met the full eligibility criteria outlined above.

Athletes will be charged \$20 to submit their EOI. The \$20 will be treated as a deposit for those who are successful in obtaining a spot and will be deducted from their Team Management Fee as part of their official confirmation to the team. The \$20 fee will be non-refundable. However, it may be applied to a charity entry instead.

C. SELECTION CRITERIA

Subject to the quotas per gender, age category and event outlined as follows:

- International World Championship Events: Twenty (20) age group quota spots
- Domestic World Championship Events: Twenty-five (25) age group quota spots

eligible athletes will be selected in priority order as per the following criteria:

Priority 1. Athletes who race in domestic Age Group World Championship Qualifying Events and place within the allocated number of qualifying spots specific to each race discipline.

Priority 1 selection will be based on results submitted from each qualification event. **ONLY athletes who have completed an Expression of Interest (EOI) in a qualifying spot PRIOR to the event will be included in the results submitted to Triathlon Canada.** Any athlete without an EOI will be deemed to have declined their spot should they receive a result within the allocated number of qualifying spots.

Priority 2. Athletes who race in domestic Age Group World Championship Qualifying Events and place within the top 8 in their gender/age category are eligible to receive a roll-down spot. **ONLY athletes who have completed an EOI prior to the event will be included for Priority 2 selection.**

Priority 2 selection will be used to facilitate roll-down of qualification spots, meaning that if athletes who place within the results to be eligible for a priority 1 spot choose to decline, the spot may roll down to the next eligible athlete. Roll-down will be based on the following criteria:

- Must meet the eligibility criteria outlined above in section B;
- Must have placed within the top 8 in a gender/age category to be eligible.

Priority 3. Athletes who apply for a Charity Entry.

Priority 3 selection will be dependent on the following objective criteria:

- Must meet the eligibility criteria outlined above in section B;
- Must apply through a Charity Program Expression of Interest (EOI);
- Must complete the designated fundraising minimum by no later than 6 weeks prior to the World Championship event.

Charity Entry spots will be made up of unclaimed spots remaining at the end of the qualification event season. Triathlon Canada will have discretion on how many charity entry spots are made available for each World Championship year. Confirmation to the team will be on a first-come, first-served basis upon confirmed availability of a spot in the requested age category. *NOTE: age categories are determined as of December 31st of the World Championship event year, not the qualification year.*

E. TEAM ANNOUNCEMENT

Triathlon Canada will announce the team in October/November of the qualification year.
