

## 2019 Triathlon Canada

### Tokyo ITU World Olympic Qualification Event Selection Policy (Triathlon)

#### A. INTRODUCTION

This document establishes the eligibility and selection criteria for individual and mixed relay selection to Triathlon Canada's entry to the 2019 Tokyo ITU World Olympic Qualification Event (Test Event). Additionally, this document outlines the eligibility and selection to Triathlon Canada's Staging Camp prior to the Test Event

Triathlon Canada (TC) is committed to selecting the highest performing team using a combination of objective and subjective selection criteria; and in accordance with International Triathlon Union (ITU) entry criteria. The primary goal is to achieve podium performances at the Test Event in the individual and mixed relay events.

1. The 2019 Test Event is on August 15-18, 2019. Triathlon Canada will be hosting a staging camp prior to the event (dates TBD)
2. Selection according to the terms of this Policy will not qualify an athlete for participation in any ITU event if the athlete is not eligible according to the ITU Eligibility Rules applicable to the aforementioned events.
3. The ITU determines the maximum number of quota positions, as per the ITU Qualification Rules, for all the Test Event
4. Neither this policy, nor the ITU require Triathlon Canada to select any or all athletes to the maximum number of allotted quota positions.
5. This policy can be amended at any time by TC if TC is of the opinion, that such an amendment is necessary due to any change in ITU guidelines, or to give effect to the Policy following discovery of a drafting error or oversight, or for any other reason determined to be in the best interests of TC by TC. TC shall not be responsible or liable in any way to any one as a result of any such amendment.
6. The Schedules and Appendices and any other document referred to in this document form part of this Selection Policy.
7. It is the athlete's responsibility to read and understand this Policy (and other supporting documents and/or policies).

In the first instance, for further clarification relating to this Policy, queries should be directed to the High Performance Director.

If an athlete is still unclear about the Policy (and other supporting documents and/or policies) operation or effect, independent legal advice should be sought.

#### **D. SELECTION CRITERIA (Staging Camp)**

Subject to available resources, Triathlon Canada will select athletes to participate in the staging camp (dates TBD) in Miyazaki, Japan in the following priority order,

- 1) Athletes selected through Section C(i) AND identified as 'qualified' (individual quota spot) by the most current [ITU Olympic Simulation \(gender specific\)](#) at the time of selection
- 2) Athletes selected through Section C(ii)

Athletes selected to participate in the Staging Camp MUST participate or will forfeit their selection through Section C.

#### **E. FINAL TEAM ROSTERS**

1. Final team rosters will be determined by Triathlon Canada as per ITU rules.
2. Athletes selected as alternates are considered part of the team and are expected to retain competition readiness through till the day of the event.

#### **F. EVENT COSTS**

All event costs are the responsibility of the athlete unless otherwise communicated by Triathlon Canada. If Triathlon Canada, as the National Sport Federation, is managing an event's logistics and pre-paying expenses, all costs associated with the athletes' attendance and participation at the event will be invoiced to the athlete.

#### **G. CONDITIONS AND PROCEDURES OF ENTRY**

1. In accordance with ITU rules all athlete entries into events are managed by Triathlon Canada;
2. All athletes may submit **Expressions of Interest** (EOI) for MR events as soon as they submit their proposed race calendar in Smartabase;
3. Triathlon Canada will send out a call for **Expressions of Interest** (EOI) pertaining to a series of upcoming ITU Events. The call for EOIs is emailed to all 2019 Triathlon Canada ICC holders as well as each Triathlon Canada Provincial Sport Organization.
4. Any athlete wishing to compete in an ITU Test event must submit their EOI via Smartabase no later than **45 days before race start**. Each EOI submitted will receive an automatic confirmation receipt. If an athlete does not receive a response, he/she should contact the Triathlon Canada office directly.

#### **H. MODIFICATION OF POLICY**

Triathlon Canada reserves the right, in extenuating circumstances, to modify this policy as it deems necessary in its sole discretion. In the event that this policy is modified, Triathlon Canada will promptly post an announcement on its website announcing the changes.

Extenuating circumstances may include, but are not limited to, ITU rule changes, non-competitiveness at any selection event(s), or inappropriate timing of any selection event(s) as it relates to the overall Triathlon Canada High Performance program.

#### **I. LANGUAGE**

Where there is a difference in interpretation between the French and English versions of this document, the English shall prevail.

#### **J. APPEALS**

Triathlon Canada is responsible for all Team decisions. As such, an athlete wishing to appeal a decision regarding the Team selection must follow the Triathlon Canada Appeals Policy (see Triathlon Canada website).

## APPENDIX A COMPETITION READINESS POLICY

### INTRODUCTION

The purpose of this document is to outline the eligibility procedures (the “competition readiness” determinant) that will be used by Triathlon Canada to select athletes who wish to be entered in any international competition.

The objective of the Triathlon Canada Competition Readiness Policy (TCCRP) is to identify and support Canadian athletes who have demonstrated the ability to consistently manage and monitor their health status, adopt a safe and effective training program, communicate clearly and honestly their current health status to Triathlon Canada, and target the appropriate levels of competition; all with the intent of continued progression towards achieving a podium result at the Olympic/Paralympic Games and World Championships. Triathlon Canada will evaluate each athlete entry request on a case by case basis.

### POLICY DETAILS

As per International Triathlon Union (ITU) rules and regulations, Triathlon Canada is solely responsible for validating and submitting entry of Canadian athletes into international competition.

Demonstrated competition readiness is only one of many eligibility requirements outlined in Triathlon Canada’s individual event selection criteria documents. Valid and up to date athlete/coaching training logs, Triathlon Canada athlete monitoring programs, validated medical diagnosis/prognosis (through Triathlon Canada’s team physician), and athlete performance analysis will be used to evaluate and determine the competition readiness of an athlete. Triathlon Canada High Performance Director will have sole discretion to allow or deny entry into an event.

### TRIATHLON CANADA’S AUTHORITY FOR DECISIONS

All matters relating to the nomination of athletes for international competition are the sole authority of Triathlon Canada. Competition readiness will be determined based on an athlete meeting all of the following criteria

#### **Criteria 1: Current Athlete Health Status**

To be considered competition ready by Triathlon Canada, an athlete must provide or demonstrate the following to Triathlon Canada:

- 1.1 A medical report clearing the athlete for competition from Triathlon Canada's team physician or from a sport science and sport medicine (SSSM) practitioner as approved by Triathlon Canada's team physician;
- 1.2 Access to or an up-to-date Triathlon Canada approved training/monitoring log; and.

## **Criteria 2: Athlete Daily Monitoring and History**

To be considered competition ready, an athlete must provide or demonstrate the following:

- 2.1 80% completion of Triathlon Canada approved daily monitoring tools;
- 2.2 Not miss three (3) consecutive days of daily monitoring;
- 2.3 Full compliance with Triathlon Canada's Competition Readiness Policy in previous event entry requests;
- 2.4 Adoption and adjustment of training/competition principles in line with best practices for reducing injury as advised by the Triathlon Canada approved SSSM practitioners;
- 2.5 Adherence to return to play protocols during previous injuries as defined and outlined by Triathlon Canada approved SSSM practitioners and as directed by Team Canada's team physician; and
- 2.6 Consistent, clear, and timely communication of athlete training logs and health status as requested by Triathlon Canada.

## **Criteria 3: Competition Level**

To be considered competition ready, an athlete must provide or demonstrate the following:

- 3.1 A commitment to compete at Triathlon Canada National Championships;
- 3.2 Progression of results at each successive level of competition as defined by Triathlon Canada's Podium Pathway;
- 3.3 A potential to achieve a top ten (10) result in the requested event based on performance metrics (previous performances, GMP run and swim times, quality of field); and
- 3.4 A commitment to compete at events in which Triathlon Canada selected an athlete to compete.
